### Hummock Island Countryside Code

- ✓ Always ask permission before landing on Hummock Island
- ✓ Be aware of the high fire risks, do not smoke or light any open flames
- ✓ Do not drop litter, please take your rubbish home with you
- ✓ Do not disfigure rocks or buildings
- ✓ Do not feed, touch, handle, injure or kill any wild animal
- ✓ Always give wildlife the right of way
- ✓ Do not startle or chase wildlife from resting or breeding areas
- ✓ Remain at least 6 meters (20 feet) away from wildlife
- ✓ Stay outside bird and seal colonies
- ✓ When photographing or filming wildlife, stay low to the ground
- ✓ Do not fly a drone without prior permission from ART
- ✓ Do not pick any plant (some plants are protected)
- ✓ Whalebones, skulls, eggs or other such items must be left where they are found
- ✓ Don't bring any animals or plants on to the island, including pets
- ✓ If you notice any plant or animal that doesn't belong – let us know!
